The Editor,

"Sun",

Orangeville, Ont.

Dear Sir:

I have to thank you very warmly for your kindness in writing the editorial in your paper of last Thursday in regard to the attack that was made upon me because German is not forthwith abolished from the University. At a time when people's feelings are very highly wrought up inconsiderate statements are often made. Unfortunately also the teaching of German in the University is involved with a political question so that any changes we make have to be made with great care. I can quite appreciate, however, the strong demand that is naturally made by many people to be allowed to take a course say in Modern Languages and receive a specialist certificate without receiving instruction in German. Just how this would work out, however, I am not in a position at present to say. We are considering it carefully. Thanking you again, I am,

Yours sincerely,

President.

The Registrar,

Ontario Agricultural College,

Guelph, Ont.

Dear Sir:

I am directed by Sir Robert Falconer to send the enclosed letters to you and to ask you to be good enough to send the necessary information regarding Mr. Lord to the inquirers saying that Sir Robert had asked you to do so.

Yours sincerely,

President's Secretary.

Mrs. George Palmer,

Scarboro Junction, Ont.

Dear Mrs. Palmer:

I have received your letter which I have read with interest. I certainly appreciate the high opinion that you have of my capacity for public duty, but I am confident that you entirely overestimate my abilities. I have the conviction that the work in which I am engaged is in itself so important that if I have the power to continue to serve the public in the capacity that I now occupy I shall be doing all and more than all that I have the right to expect or could hope to be able to perform.

With the season's greetings,

I am,

Yours sincerely,

President.

Yours sincerely,

February 14th, 1918

Dear Sir:

I have to thank you for your letter of January 30th and the enclosure of the memorandum relative to the encouragement of postgraduate work. I have read the document with a great deal of interest and am now forwarding copies to the Secretary of the Dominion Universities Conference. The whole matter will probably come up for discussion again at the annual meeting which is to be held towards the end of May.

Yours sincerely,

President.

Sir R Cooper Perry,
Vice Chancellor of the
University of London.

Rev. H. W. Pickford,

Brighton, Ont.

Dear Mr. Pickford:

I have so many engagements that it is quite impossible for me to go to Brighton in January or February. In fact I have three other engagements that are awaiting decision for March and April and I do not feel that I can add to the number just at present. However, some time in the future I shall be glad to go for you.

With kind regards, I am,

Yours sincerely,

President.

Norman Plass, Esq.,
802 Lumsden Building,
Toronto.

Dear Mr. Plass:

There is at present no opening in the Department of French for which Mrs. Plass might apply, and I do not think that there will be any opening for the next year. I am, however, sending your letter to Professor Cameron, head of the Department of French, who will doubtless communicate with you if he knows of anything suitable.

Yours sincerely,

President.

The Post Master,

Toronto.

Dear Sir:

President Falconer has requested me to write you to have letters addressed to his house, 69 St. George Street, and to the University of Toronto, for him, sent to Huntsville, Ontario until August 14th, when they are to be sent to the University of Toronto, as at present. Will you be kind enough to attend to this and oblige,

Yours very truly,

President's Secretary.

Rev. W. W. B. Quartermaine,

Renfrew, Ont.

Dear Mr. Quartermaine:

My knowledge of the work of the Association of Children's Aid Societies is so general that I am afraid I am unable to give any definite opinion that would be of value. I know Mr. Kelso quite well and I know about his work in general, but all I can say is that I believe he has done a most valuable work for the Province during these twenty-five years. To be able to go into detail, however, I have not sufficient knowledge. Hoping that your celebration will be successful, I am,

Yours sincerely,

President.
